Hi I'm trying to compile a C source code on my 64-bit Android phone with Android 4.1.2. I've followed this page, and tried to build

this code: I still got the error: /usr/local/include/android/api-level/android_api_file.h:57: In function 'spiffsFileOpen': /usr/local/include/android/api-level/android_api_file.h:117:50: error: 'aligned_alloc' was not declared in this scope
aligned_alloc(...) A: gcc needs to be told that you're building for 64 bit. To do this, look at the gcc -arch flag. Normally this is -arch i386, or -arch x86_64. The former is 32 bit, the latter is 64 bit. EDIT: As you were trying to use a GCC 4.6.3 Android port, the -arch flag is x86_64. If you're building your C program from a bash script, you may be better off using a script that uses a specific compiler, such as hardening

The main products of phyllocladanite-rich and Â»nodulesÂ« are flaccid and semi-flexible blades, which have been used for many years as a major component of operating and mining equipment. The Books The Climb and The Current were the first of six books in a bestselling series by American author, Paul Connealy, based on his climbing trips and adventures to the most difficult climbing routes in the world. A personal account of his treks to K2 in the Karakoram and North Cascades, the Shark's Fin on the Southeast Ridge of Mount Everest and several other of his incredible achievements. Contained within these pages are the stories of men like John Roskelley who went before him, but with far more talent, determination and grace of spirit than he had, so instead he chose to bury the memory of that greatness deep within himself, and instead of pursuing that climbing which

matters most, he chose to bury his face deep in his hands and try to find a new and safe way of living. The Grand Canyon provides a detailed account of our species transition from being an intelligent ape to an intelligent human and the loss of our soul. This book is a philosophical treatise on the meaning of life and the relevance of our faith. It sets out to make a case against nihilism and materialism, and look for a better life through faith in a higher power, and the appreciation of the world around us. The story of the Trinity Mountains (Manitoulin Island, Ontario) where the first successful ascent of a virgin Canadian Rockies big wall in 1965 was made by Bob and G.J. Martin. Formerly owned by the famous ice climber and author of *The Climb* and *The Current*, Bob Martin, this rock climb on the Trinity Mountain Range is a story in 3e33713323
