The US release had the same features, but with a few Japanese words rather than English. This version may have been changed for release in other regions. Wii Sports Resort is a minigame collection for the GameCube console made by Nintendo. It was released in North America in October 2006 and in Japan and PAL regions in November 2007. The game consists of fifteen minigames including aerial combat, bowling, golf, tennis, archery, baseball, bowling, horse riding, fishing, karate, surfing, soccer, wakeboarding, skiing, and boxing. The Wii Sports Resort debuted on GameCube consoles before the release of the Wii console and was the first GameCube game Nintendo created to be released for the console. Wii Sports Resort is available on several versions of the Wii virtual console, as well as the Wii U video game console. It is also included in the Nintendo Wi-Fi Connection service on the Wii and Wii U. Download Wii Sports Resort for GameCube with wbfs.
