Worms Rumble is a hilarious physics-based multiplayer game where worms battle in a frenetic free-for-all fashion. Spectacular graphics make Worms Rumble one of the best looking games available. With more than 100 levels packed in and online multiplayer, there's plenty to go at. Worms Rumble takes a different approach by moving away from the fast-paced head-to-head battles of Worms Armageddon and Worms 2: Battle-Gro. Instead, game mechanics have been tweaked to allow for more thoughtful and strategic play. Play solo or in up to 4-player online multiplayer. With up to 7,000 players online at once, you'll have plenty of people to battle against! Key Features: • 100 Challenging Levels • Two Game Modes • Multi-Player & Solo Play • Customize Your Worm • Two Weapons - Chickens & Dynamite • Four Abilities - Prick, Unbalance, Tick & Grunt • Emotions - Fight, Fear, Anger, Dislike & Love • Player Bonuses • 7 Costume Designs • 8 Customisation Items • Insect Weapons • Amazing Graphics! ----- Want more Worms games? Worms 3, Worms 4 and Worms Ultimate Mayhem are available on PlayStation®Network, Xbox LIVE® and Steam®! In the game Albert the Dragon Huntress, you are Albert, The Dragon's Apprentice. Albert is a scenic bird who lives in the endless forests. Soon, Albert will have to act to make things a bit more clear in his world. Albert's world is full of many events, very different of one another, and he's always busy to find the hidden meaning behind them. Some of the events and situations he encounters relate to his family and his friends, who are endangered. That's why Albert must play an important role in all that will happen. Albert is a scenic bird who lives in the endless forests. Soon, Albert will have to act to make things a bit more clear in his world. Albert's world is full of many events, very different of one another, and he's always busy to find the hidden meaning behind them. Some of the events and situations he encounters relate to his family and his friends, who are endangered. That's why Albert must play an important role in all that will happen. Albert, the Dragon's Apprentice, will be the link between the story and you, the player. During his search, you will be sent on a journey through Albert's world, to meet the characters and discover the event that happened in his world. Albert will act to learn how to read and write. Therefore, the game is educative and entertaining at the same time. Albert the Dragon's Apprentice is a brand new adventure, made by the French writer Elodie Belchier and the developers of the "Albert's Magical Adventures" series. This game is not designed for children. This game is suitable for adults. The adventure contains more than 30 hours of gameplay. It is possible to replay the adventure, once you've won all the puzzles. Albert the Dragon's Apprentice is a strategic, interactive, narrative game. You have complete freedom to play Albert as you wish. The game uses Elodie Belchier's novel, Albert's Magical Adventures, as its intellectual property. However, the story and the dialogues are written as separate content. The main goal of this game is to educate and entertain you. Myriad of animated scenes will accompany your journey, bringing the story alive and letting you discover the meaning behind them. While exploring the various environments, Albert will meet different characters, each one featuring their own story and dialogues. During this adventure, Albert will
