The Elden Ring is a Fantasy Action RPG in which you fight as one of the Elden. Inspired by the world of King Edward Elric, the main hero that the character wears the power of the Elden Ring, and a protagonist/hero that has lost his body in a tragic incident and has become a shadow in the Lands Between, and all of these events are told by means of fragmented stories. Developed by Web Generation Co., Ltd., the team who developed the popular browser game, "Professor Layton vs. Ace Attorney," and "FE: Unlimited Code Union," the game will be available for home consoles, smartphones, and tablets. ABOUT WEB GENERATION CO., LTD. Web Generation Co., Ltd., created "Professor Layton vs. Ace Attorney," which can be downloaded from the App Store and Google Play. They received a 2013 BANDAI Namco award for their work with video games and a BANDAI Namco prize for original scenarios. Web Generation Co., Ltd., is also the original developer of FE: Unlimited Code Union, which was the first FE game available for smartphones. Copyright (C) Web Generation Co., Ltd. GAME PLAY - How to GAMEplay begins when you drop into the world of Elden Ring and your character walks towards a large castle under an oppressively dark sky. Here, you can freely customize the appearance of your character. You are placed at the bottom of the class hierarchy, and your stats on HP, MP, and EXP as well as the number of skills and expertise (Job Points) you can learn and use are determined in this process. Go to the shop and purchase Basic Items such as Buffs, Armor, and Magic Level Up - Get experience points (EXP) by playing the game - Experience allows you to increase your character's strength. - The amount of experience gained is determined by how many times you are attacked by an enemy. - The amount of EXP you can earn increases when you level up. - Level-up occurs when you reach a certain EXP amount. Expertise/Job Points - Job Points are used for skill learning - To increase job points, you must learn skills - You can increase your skill level or access skill refinement by increasing your job points - Skill refinement is determined by the number of the job points you have. Level Up: Leveling Up + Skill - A level up refers to the process of increasing your character's level, enhancing your character's strength. - When you level up, experience will increase. - The amount of experience you gain is based on the degree of damage you sustained when you were attacked by an enemy. The higher the degree of damage you sustain, the more experience you gain. Equip Skills and Equipments - You can freely select any skill or equipment you want to equip from the equipment menu. - You can also equip up to three items on your character. - Skills and items are combined with the theme of your character. - Selecting and equipping skills and equipment will increase your character's attack power. Interact with NPCs and Creatures - You can talk to NPCs to get information about town and other encounters. - You can find monsters in dungeons or on the over world. - Sometimes, monsters are only brought out in particular areas. - Monsters can be provoked to battle you, and attack you depending on your strength. - Defeat monsters and claim their souls (used to grind EXP). Craft Gear - You can craft gear, weapons and armor from items you have obtained and items you have stored
