The Win Credits will also be given away in World Cup. The IPL, consisting of 13 teams, runs from August 31 to September 18 and it will be followed by a three-month season between September 19 and December 13. Fans can also enjoy over 40 hours of matches on their PC, with 13 additional international men's matches and Test matches. The Homegrown promotion, between August 31 and September 18, offers fans the chance to win a free seat to experience cricket in the unique centre-wicket style of the game. I am wondering how you guys are enjoying the cricket game, which mode/s are your favorite, etc
