Every film needs a star. Even the ones which have not been nominated. So if you love watching movies, you could call yourself a movie goer. But there are times when you forget the name of the main star and in that case, you can feel empty in the middle of a movie. This happened to me recently as I was watching a movie. And the name of the actress was not there. I could not understand if it is a movie of that actress or somebody else. But luckily, I got to know in the final seconds. It is a sad story to tell, but I will tell it on this blog for the benefit of others. So let's dig out some. It was a beautiful afternoon in the city of Mumbai on 21st of December 2018 when the movie "Jazbaa" was released. I saw the movie "Jazbaa" on my laptop during work. But the truth is I really did not like the film. I knew it is released in Hindi and the main cast of the movie will be from the city of Mumbai. But when I saw the first screening of the film in HD format, I really felt that "Bhaiya, it is a mixture of other movies." Indeed, the movie was released by a movie company named Nendoroid and the movie was directed by actor and producer Sanjay Dutt. It is really a heart-touching story of a boy named Ratan. Ratan is a medical student and lives with his parents and sibling in the city of Mumbai. One fine day, his friends comes in his room and tell him an impressing story of a girl that was being kidnapped by a criminal by name Deepika. He and his friends decide to save the girl and they find
